

Information Sessions

YouthBuild Snohomish County is a 10-month construction training program that offers:

- Construction training
- Paid work in housing construction
- An opportunity to complete your GED at no cost
- Training in community leadership
- Personal support and advocacy
- Assistance with finding a job when the program ends

If you are 18-24 years old and:

- Serious and committed to a daily training program
- Unemployed and low income (\$10,830 a year for a family of one)
- Lacking a GED or High School Diploma
- Eligible to work in the United States
- Interested in learning construction skills
- Interested in helping your community

Attend an information sessions to hear more about the program and the application process. Family members are welcome as well. Plan ahead; sessions start on time and late attendees will not be admitted.

The 2011 session will be located in Monroe.
