“Rates people obtain permanent housing by sector and county”

King County

Balance of State

- **ES**
- **TH**
- **RRH**

2010
2011
2012
Types of exits to permanent housing system wide

- Rental, no subsidy: 54%
- Family or friend, permanent: 21%
- Ownership: 2%
- Permanent Supportive Housing (including VASH and S+C): 9%
- Rental, with subsidy: 25%

Figure 8: Source: InHouse Report APR v.0.08 08/07 2/14/12 [run system wide without HPRP], 2011 Alameda County.
Figure 9  Source: InHOUSE Report “Returns to Homelessness v 12.02.03”, run by systemwide with HPRP and by sector for each quarterly increment, 2011 Alameda County.
Households Returning to Homelessness

Analysis Hints for "Households Returning to Homelessness":
- Lines on this graph should be trending downward.
- Upward or widely varying lines indicate:
  - Increasing numbers of households that were exited to permanent housing from the homeless system over a year ago and have since returned to the homeless system
  - Low numbers of households being exited from programs in the year prior to the dashboard month
