HISTORY

Honoring community, collaboration, and service

ABOUT FOCUS STRATEGIES

We believe the HEALTH Act and Opening Doors lead the way to finally ending homelessness:

FocusStrategies.net
Overview

- Context for the Calculator
- Demonstration
- Discussion
- Next Steps

Performance Improvement Calculator

- Excel Tool developed by Focus for the National Alliance to End Homelessness
- Uses 3 years of local data – models strategies to increase the number of people who move from homelessness to permanent housing

Three Acts, Again

- Trial run
- Data clean up, re-run
- Final improvements, public sharing
