This spring the Workforce Development Council Snohomish County (WDCSC) anticipates that a number of funding opportunities may be available for bid. Those opportunities include a Request for Proposal (RFP) for qualified contractors for expanding **system capacity** as a result of new funding opportunities such as state and federal stimulus dollars and other new funding sources. The letters of proposals to respond to this RFP are due March 2, 2009. In addition, the WDCSC anticipates that new procurement processes may be needed to identify qualified contractors for regular Workforce Investment Act **Adult, Dislocated Worker** and **Youth** funding streams. It is anticipated that these RFPs will be available in March. This calendar highlights important dates for all upcoming RFP processes.
